The competition focuses on students, teachers and young scientists. The aim is to award the authors of the best theses and research projects in technical and natural sciences.

- The best works are chosen by independent juries composed of experts from leading Czech universities and the CAS.
- The competition is organized under the auspices of the Ministry of Education, Youth and Sports.

Deadline for submissions: November 30, 2023
To apply, please visit www.cenasiemens.cz
